Dear Sir or Madam,

We respectfully request under the Freedom of Information Act (5.U.S.C.552) that you Provide Blaine C. Malquist, Norma B. Malquist and C. Eileen Malquist as a group.

- (1) All documentation. Including, but not limited to all emails, letters, notes, and correspondence between Ms. Jude Densley, Criminal Investigator for the EPA and Utah State officials within the Utah State department of Agriculture and Foods.
- (2) All documentation. Including, but not limited to notes, emails , letters and photographs of pesticide violations Ms. Jude Densley has or is currently investigating in the State of Utah.

We find this matter in the public interest and request a speedy reply to this appeal.

Given our correspondence with Ms. Densley, and her confirmation that she has forwarded materials we provided to state officials, it is highly unlikely that the only records of communications between Ms.Densley and Utah State officials on pesticide matters is two pages of documents. Ms. Densley has received large amounts of documents and information that she indicated were forwarded to the Utah State officials in the Utah Department of Agriculture and Foods. We expect this information to be contained within our initial document request.

Thank you for your time,

Sincerely,

Blaine C. Malquist Norma B. Malquist

C. Eileen Malquist
